July 2023

TAI Club News & Information

Say "HI" to New Members

March - Kyle Updike,
April – Richard Escajeda,
May – Tom White,
June – Michael Troxell

Combat Wings Update

Well, so far there has only been 2 mid air's (Mark vs Fred and Michael vs Rob. Mark's motor shorted out and Rob lost a winglet. But it has been great fun and there are many more sorties ahead.

Heat Stroke Weather

It's summer time again and the weather man is predicting a **HOT** one!! The heat can overcome you quickly so stay observant of yourself and other members around you for signs of heat exhaustion (cramps, dizziness, nausea, headache, irritability). Please stay hydrated, drink plenty of fluids and take frequent breaks under the shelter. Remember to bring your water to the field !! Flying RC in the sun is so much fun and we want to keep it that way.

Tractor is Back and Fixed

A special thanks goes out to Jim for all the hard work, time and effort he has put into fixing our tractor. He has rebuilt the steering box, we now have turf tires on the rear, the electrical checks out and we should be good to go at least for a while.

Hot Dog Tuesday's is Back

Fred, Gary and Rob and few other helpers have re-started Hot Dog Tuesdays at the Robert Satow RC Flying Field. The time to eat is set for 5:30pm so that anyone that has a real job can hopefully make it. The ¼ pound dogs are the same as David use to get and they are delicious. The club furnishes these but there is a donation jar to help off set the cost of the dogs, chili and all the fixings, including cold drinks left over from the Swap Meet. And let's not forget Danny's wife Marie, who seems to always make him bring something sweet to eat. We will not be have Dogs on Tuesday July 11 due to Fred being on vacation but it will be back the following Tuesday. And bring a plane to fly too!!

Remember: Takeoffs are Optional, but Landing is Mandatory!!
