We will be voting on club officers and directors at our November club meeting. There will be couple Officer changes at their personal request due to various health and family reasons. Fred Towler is nominated for Vice President; Rob Watson nominated for Secretary. We will be having a confirming affirmation on all other officer positions Open Director positions will be nominated and voted on at the meeting. Appointed positions will announce during the meeting.

### TAI Family Day was Great!!

We had a great TAI Family Day at the Robert Satow Flying Field on Saturday October 7th. There were about 50 attendees of members and their guest. There was plenty of RC Flying, only a few crashes, the best hamburger & hot dogs in the world and more deserts than you could count. Check out all the pictures on our website. I would like to thank all the members that helped, cooked, setup and cleaned up!! If you were not able to attend, sorry but you missed a really great time of fun and fellowship with our club.

### Food Donations for Christmas Food Bank

For the last 6 years the club has collected food for our local food bank This helps the club retain our AMA Gold Club Status. We will be collecting canned and boxed goods at the November meeting, Every Sunday at the field and at our club meeting in December. You can give your donations to me and I will make sure they get to the local Food Bank after our December Club meeting.

### Bush Hog Hub Found

The Bush Hog Hub was found....in the same place it had feel off of over at the edge of the hi grass. Thank you Larry, for finding this!!

### NO FLY Day's as a Friendly Neighbor

Just a pleasant reminder that Sam Weisensel has advised us he will be deer hunting with friends on his land beside ours, on Nov 11-12 & 16, 17 & 18. We recommend, for the safety of our club members, we do not Fly or Mow on these days.

### Club Secretary Steve Tosi

Steve Tosi in his own words "needs to pass the torch" to the clubs next secretary. Steve is a charter member of the club since ~1994 and has been a Club Officer as Secretary since 2001, 22 years. He has donated numerous hours to the club over the years and has always been there to support the club in whatever the occasion was from Swap Meets and Family Days to Cookouts and Field Work Days. He has also donated many aircraft and equipment for the club to raffle off at the Swap Meets. Steve really would give you the shirt off his back if you needed it!! The next time you see him, please, give Steve a warm pat on the back and a thank you for all that he's done for our club.

### Christmas Party / December Club Meeting

Be thinking about what you would like to do at our December Club Meeting to celebrate Christmas. Anderson Gift Certificates? Wives? Friends? Just a few thoughts. **Remember: Takeoffs are Optional, but Landing is Mandatory!!**
